World War I Commemoration

On 13th September, in the Village Hall, starting at 7:30 pm we will have an evening of songs, stories and archive film with Darren Poyzer to commemorate the start of the First World War. It may seem a long time ago but many of today's European and Middle East conflicts and tensions have their roots in decisions and actions of that time.

Annual General Meeting

The Hilldale Community Association AGM is on 25th September in the Village Hall. It starts at 7:30 pm and will be as informal as we can make it. Come and have your say and - there will be wine and cheese.

The Hilldale Coffee Morning.

Our next Coffee Morning is 27th September from 10.30 until 12.30. Great value, great cakes and butties. Do come along.

The Playing Field

A couple of things, please:

- **Do** pick up after your dog. The Playing Field is used for picnics, games and simply running around - and stepping in dog poo is very unpleasant.
- Please **do not** deliberately leave bread or food around. It encourages rats and if it is eaten up by pets might not be good for them.

The War to End all Wars with Darren Poyzer

13 September 2014

Aged just 18, Darren was on the Royal Navy's front line during the Falklands Conflict of 1982. Now as he reaches his 50th year, he has written a genuinely unique, heartfelt and soul-searching WW1 Commemoration performance. 'The War To End All Wars' is a collection of original songs, in commemoration of 100 years since the start of World War 1. This show will include North West archive film footage and the opportunity to share memories and thoughts.

'Darren John Poyzer invites us to experience his music and his relationship with war. He shares his unique perspective after being on various ships in the Falkland War that the majority of people will never know. This is combined with his passion to discover personal tales from war and his transformation of those discoveries and emotions in to music. Yet Poyzer does not just perform a set of songs, he provides context to the anecdotes and how he wrote each song with the aid of pictures and film footage in addition to his conversation..

In terms of the performance Poyzer is an excellent musician who performs with kindness, honesty and a smile in his eyes, which engages you in his story from the very beginning. Not only that his music and song writing is beautiful.' **Toni Saxton, Buxton Fringe Festival 2014**
