## Hilldale Coffee Mornings

Our **Coffee Morning** is held on the last Saturday of each month - except May, August and December - in the Hilldale Village Hall. There are excellent cakes, tea, coffee and soft drinks and Gary makes his superb bacon and sausage butties. Sit and enjoy them in the Hall and have a chat or take them away. The ingredients for the butties and the cakes are all sourced locally. The next few Coffee Mornings are: **24<sup>th</sup> September, 29<sup>th</sup> October and 26<sup>th</sup> November** And there is usually a selection of FREE small toys and plant seeds. We are open from 10.30 until 12.00.

-----  
**The HCA needs you. Everything the HCA does is done by volunteers and we really need more people to help. Please, please help us to do better and to do things that will benefit the village.**

**Call a Committee member while it's fresh in your mind.**

### **Defibrillator – funds needed**

The Parish Council is going to install a defibrillator outside the Village Hall in a cabinet. The right kind of cabinet will cost about £600 to purchase and install. Please contribute what you can so it can be installed as soon as possible.

### **Traffic problems?**

We all know there are traffic problems in Hilldale: HGVs, speeding etc. Nothing will be done unless there are facts and figures. To ensure that data is on record, if you are involved in or witness an incident, call 101 and register it.

### **Community Notice Board**

We now have a community noticeboard – it's outside the Village Hall. To display a notice, email us at [hilldale@btconnect.com](mailto:hilldale@btconnect.com) and, if there's space, we'll put it up.

### **Hilldale Parish Council**

The Parish Council will meet on Thursdays: 7<sup>th</sup> July, 1<sup>st</sup> September, 3<sup>rd</sup> November and 1<sup>st</sup> December. There is a 15 minute Public Forum so if there's anything on your mind, go to a Council meeting and tell the Councillors.

### **The Playing Field**

Our Playing Field is a precious facility and it is a PLAYING FIELD; it's not a dog toilet. It is very disappointing that irresponsible dog walkers create a health hazard by allowing their dogs to foul a childrens' playing field. **You must pick up after your dog.** The Dog Fouling By-Laws apply to all public spaces including footpaths, pavements and roadside verges.

Another health hazard is the deliberate spreading of food on the Field. Apart from anything else, it attracts rats. If you do this, please stop.
